Conservatives for American Greatness

These patriotic men and women, who love and care for America, are determined to better our nation and ensure a bright future for our children and their own.

As threats to our national security emerge, the un-American, left minded administration is determined to destroy our nation's prosperity. The donors and activists on this file believe we must protect American working families and their wages, for citizens and legal immigrants alike.

The strength of the nation lies within the individuals who live in this country, and these patriots believe our Constitution should be honored, valued, and upheld!

Great test idea for religious freedom, anti-illegal immigration, or pro-American mailers.
